No. Fl. 2185—*B.* 53-09-2, *dated 2nd November* 1910.

The Government of His Highness the Maharaja of Mysore are pleased to direct that Rule 20 of the Mysore State Life Insurance Rules be amended as follows:—

The proposal shall be submitted to the Senior Surgeon for his opinion and afterwards considered by not less than three members and the President of the Committee when it is for first insurance or for further insurance requiring a detailed medical certificate. If they are unanimously agreed as to the eligibility or otherwise of the proposer, they may authorize the Secretary to accept the proposal for the usual or reduced bonus, and issue a Policy in Form No. 4, or to reject the life as ineligible and to give intimation to the proposer of such acceptance or rejection, through his immediate superior. If they are not so agreed, the proposal shall be circulated among the remaining members of the Committee. When there is a difference of opinion among the members regarding the eligibility of the proposer, one vote against the proposer shall cancel two votes in his favour, and the opinion of the majority thus arrived at shall be deemed to be the opinion and decision of the Committee. When, owing to such cancelment, there are left no votes either in favor of or against a proposer the matter in question shall be decided by the casting vote of the President. The President shall, in all cases, be at liberty to refer, for the orders of Government any question involving a general principle notwithstanding its decision by majority of votes.

When the proposal is for further insurance requiring an ordinary medical certificate, if the certificate states that the proposer is in good health, it may be accepted by the Secretary and a policy issued in Form No. 4. If, however, such certificate states, that the proposer is not in good health or if any question or doubt or difficulty is involved, the proposal shall be submitted to the Senior Surgeon and disposed of in the manner of other proposals.

By Order,
